

## EXPLANATION IN ENGLISH ABOUT BUYING AND SELLING SHARES IN THE COMPANY

International transactions of shares in the company.

All shares are registered at the Swedish Central Securities Depository - Euroclear.  
Procedure for purchase of shares.

1. Check if there are shares for sale at the bulletin board.
2. If you have a share deposit of your own in Sweden, just contact the seller, agree on a settlement note and make the mutually agreed transaction. (You send the money first and the seller transfers the shares to your account).
3. If you do not have your own share deposit at a Swedish bank or broker, ask your own bank or broker to open an account for you and then proceed as in 2. - or ask your bank or broker to do the settlement and transfer for you.

Procedure for selling shares.

1. Put up the shares for sale on the bulletin board
2. Wait for a buyer to contact you
3. Make up a price with the buyer and then agree on the settlement with the buyer – They pay first to your bank account and then you transfer the shares to their deposit.
